NOTE FOR:

Chairman, SIGINT Committee

25X1

FROM: DDR&E/ICS

SUBJECT: Interagency Cooperation

25X1

I would appreciate it if you would do us all a big favor as follows:

25X1

- o Please give a copy of the attached correspondence to all leaders at NSA whom you think deserve a copy.
- o Take this issue under your wing in the SIGINT Committee and conceivably have [] watch over it. []

25X1

As this correspondence was being developed, between ICS and CIA, I insisted on some changes which have the effect of not allowing CIA a free run of this subject and ensures that the rest of US intelligence has a chance to play. []

25X1

And when you engage the leadership at NSA, please do your best to help them understand that while this may be late in getting to them, my understanding is that SIRVES has been playing in the arena and that CIA has been talking to NSA at the working level. []

25X1

Let me know if I can do more to help you here. []
